Welcome Exhibitor(s),

Yes, it's that time of year again! We as a committee are proud to announce, our upcoming 8th Annual ARM Road Show & Business Networking Conference. I would like to personally invite you to attend and welcome you to this year's conference. Together with you, we will be on location at one of our direct member's facilities...Highway Auto Parts in Roseville MI, who has graciously volunteered to host our conference this year.

Highway Auto Parts is a great example of a live, fully functioning, up to date, state of the art Automotive recycling facility that is ready to open it's doors to you and your great product line, or new ideas you will be bringing with you to this year's show.

There is no better atmosphere to showcase and display your offerings and products, than a live, working convention with so many of your continual, as well as prospective customers under one roof!

We have so many great seminars, informative classes, guest speakers as well as fantastic Yard Tours (everyone's favorite) planned this year...with each year focusing on our vendors and vendor time (we couldn't do it without you). Please notice the "flow" this year from registration to the food court, the attendees must pass through the vendor area multiple times throughout the day, by design, with you in mind. Rest assured we have plenty of dedicated "Vendor Time" as well. So don't delay, reserve your spot today...they are sure to fill up fast...don't miss out.

Do you like to golf? Come early on Thursday and join us for a sure to be great round! What a great opportunity for vendors and your customers to network and build relations. See Barb Utter for registration.

As always, all tabletop booths will be located inside Highway Auto Parts with free wireless internet access. Outside space is also available for large equipment demonstration. You will find our rates are very reasonable and inclusive to all events scheduled for the entire conference, so as to make your stay with us a successful one, leaving you wanting to come back for more!

To reserve your booth, please read the enclosed contract and then sign and return it today with your preferred method of payment to: ARM office at 7550 S. Saginaw Rd., Suite 9, Grand Blanc, MI 49319. Space is sure to fill up fast and is on a first come first serve basis. Don't delay...sign up today!

If you have any questions please feel free to contact the ARM office at arm@mi.automotiverecyclers.org or 800-831-2519.

Thank you in advance and welcome to all.

Jason Fisher
ARM President

Location & Floor Plan

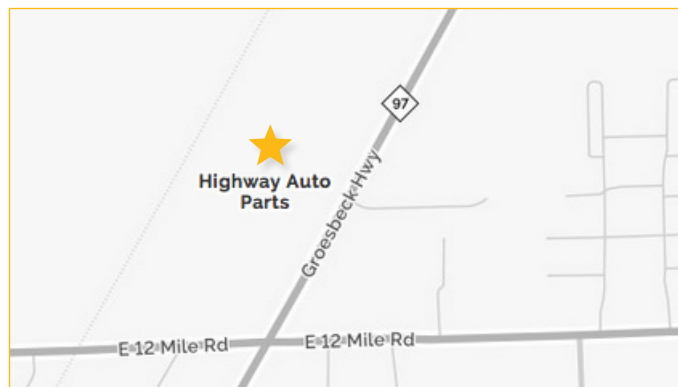

The Automotive Recyclers of Michigan would like to invite your company to be an exhibitor at our 2016 Road Show and Business Networking Conference May 12-14, 2016 at Highway Auto Parts in Roseville, MI.

HIGHWAY AUTO PARTS

29231 Groesbeck Highway
Roseville, MI 48066
www.highway-autoparts.com

Highway Auto Parts was founded in 1957 by Jack Rukes behind a few houses on Groesbeck in Roseville. In 1962 the houses were torn down and the current building was put up for a sales lobby, offices, and warehouse. Jack Rukes quickly grew the business into one of the busiest salvage yards in the Detroit Metro area. During the 70's he paved the entire yard with cement and built a new 30,000 sq. foot warehouse with more office space. Business continued to thrive and in 1989 Don Sharon and Hank Cloutier purchased it from the Rukes family. They renamed it Don & Hank's Highway Auto Parts and continued to run it until 2012 when they both were ready to retire. Ryan's Auto Parts purchased it in 2012 and changed the name back to Highway Auto Parts. After

purchasing it they quickly set about modernizing the facility. New racks, hoists, and equipment were brought in. A new drainage system with multiple catch basins and separators was installed around the property. The facade, lobby, and warehouse spaces of both buildings were updated, and a new covered truck well was installed.
