

THINK SAFETY FIRST

The **Members Only ARM Safety Program** is **FREE** to all members. The program will provide you with the tools that protect the health and safety of your employees and helps your facility comply with many of the MIOSHA regulations affecting auto recyclers.

The ARM Safety Compliance Manual is available on our website and will help you meet the MIOSHA record keeping and reporting requirements.

The ARM Safety Program is FREE to all ARM members courtesy of the MICAR program, and the generous sponsorship of Michigan's leading scrap processors.
